Bibby Ste-Croix's cast iron soil pipe and fittings have been the fundamental product specified in legacy buildings for generations. When you specify our products, you know you're getting a safe, quiet, and green piping solution.

While you may not see what's hidden within the infrastructure of a building, you can rest assured that Bibby Ste-Croix's DWV plumbing systems will stand the test of time. Our fire-resistant pipe and fittings provide life safety as well as excellent sound performance.

Bibby Ste-Croix — the safe, quiet, and green piping product for DWV plumbing systems.
